IRAN PRINT PACK 2021

Oct 01 - Oct 04 2021
Tehran International Permanent Fairground

OVERVIEW

Iran with a population of more than 85 million and continuous growth in industry and communications experiences a rapid flourish demanding new packing and printing technologies and related products and services. As one of the biggest events in Middle East and the most important event of its kind in Iran, Iran Pack Print exhibition acts as the most effective medium for establishing and maintaining relations between Iran and international print and packaging industry which created an amazing platform for companies to showcase their products and services.

The 28th Iran Print Pack hosted 380 domestic companies as well as 60 foreign companies. We also had visitors from Azerbaijan, Oman, Lebanon, Pakistan, Afghanistan, and ...
